

All products manufactured by Cholaca are classified as chocolate products. These products are food ingredients and therefore are not considered to be hazardous. These products do not meet the definition of OSHA Hazardous Communication Rule #29 CFR 1910.1200 and therefore do not require a Safety Data Sheet (MSDS). Additionally, all of the ingredients used in the manufacturing of Cholaca's products are "safe". FDA has defined "safe" (21 CFR 170.3(i)) as a reasonable certainty in the minds of competent scientists that the substance is not harmful under its intended conditions of use. Cholaca is dedicated to providing the highest quality products and services offered.
